"Heavenly Father, as we are about to quit the transient scene, we humbly ask that You will go with us to our several stations and make us sensible of a renewed obligation we are under and remember we are ever walking in Your sight. Stir within us a will to create, by Your help, a better world by our actions and be a light unto the path of our fellow men and that Your teachings and the teaching of this organization will be exemplified and a credit to Your Kingdom. This we ask in your Name. ....Amen"
