January Program: For our January meeting we are very pleased that Captain Richard Rodriguez will be our featured speaker. For many years, Richard has operated the Vessel Assist service in the waters around San Juan Islands and environs. Richard will present on the current Vessel Assist program and other "Rambling Maritime Information" which will also include important rules of boating in proximity to commercial vessels. You may be interested to know that Richard has recently been asked to serve as a Maritime Adviser to Washington State Ferry System.

Also, YOU TOO have a homework assignment in preparation for this meeting. Think about your boating experiences and bring a question or situation to present to Captain Rodriguez for an answer or discussion.

See you on January 8!
